

GrowNOW ADHD - Executive Function Certification Training

Michael McLeod,
MA, CCC-SLP TSSLD

ADHD & Executive
Function Specialist

Bringing Practical & Effective Executive Function Practices to Your School

Michael @ GrowNOW ADHD provides unique, engaging, energetic treatment and care to adolescents & families – tailored to the unique individual. Mike is passionate about getting Executive Function knowledge and the GrowNOW Model Principles into the hands of educators, parents and professionals worldwide.

Executive Function Certification

This training provides the practical tools needed to help staff best work with children with ADHD to help them become more independent, positive, and successful

- Learn about all the misconceptions and outdated views on ADHD & Executive Functions
- Learn about the most up-to-date research on Executive Functioning
- Learn a wealth of exercises, strategies, and practices that can be easily implemented to ensure Executive Functions become a core aspect of your curriculum and culture

Bringing great value to your school!

Training can take place on-site or remotely. All training is tailored to the unique audience – the staff, the children and families they serve, and their culture and values.
