# Executive Function Treatment For Students at School

Licensed & Nationally Recognized  
ADHD-Executive Function Specialists

## We are your dedicated on-site ADHD & Executive Function Professionals

- ✓ Work directly with the student to strengthen Internal Skills
- ✓ Collaboration with teachers and staff
- ✓ Direct Parent Training & Coaching

**In addition to direct student and parent coaching,  
the partnership also provides:**

- ✓ A parent training to the school's community
- ✓ This is a private optional service where parents choose to opt-in.
- ✓ Assistance, training, resources and materials to school staff to bring the most up to date Executive Function Research and practices to your staff and classrooms

### Focus on all 3 Zones of Executive Function

01

Academic

02

Social

03

Home

**We work directly with students and families- following the  
research-based GrowNOW Model of Internal Skills:**

Self-Regulation of emotions & behaviors

Self-Motivation toward non-preferred tasks

Self-Awareness

Self-Evaluation

### A Valuable Partnership

- ✓ Typically a significant decrease in dysregulation and behaviors
- ✓ Improvements in work completion and homework, higher test scores and grades.
- ✓ Parent, teacher and self reporting of more meaningful relationships and social engagements
